Membership \$ 2250.00

Total funds raised through

Fundraiser and membership

\$4159.50

Gymkhana and Drill Team are supported through their own Event or monthly fees.

Directors Reports

a) Drill team- Kaitlin Tottenham

- Drill is going well we have some new riders on the team that show a lot of potential, we are allowing new riders to ride with us until the end of January at which time we will let them know if they are ready to perform with us or not. We will be starting to practice our 2017 performance pattern in January and are hoping we will have 8-10 riders on the final team. Our last event of 2016 is the Chilliwack rotary parade on December 3rd.

b) Horse shows- Sarah Lefebvre – Corinne to read report

- This year the attendance to horse shows was very low. The shows that did run were done thanks to volunteers. There are no yearend awards for horse shows this year, as we were unable to get enough attendance to continue to host CRC shows. Thank you to the hard work from the volunteers at the shows that were held.

c) Gymkhana- Wolfgang Kriegl

- This year there was a good turn out all year with the leadline division growing the most!

d) Open Ride- Rupa Bhullar

-

e) Membership- Sarah Lefebvre – Corinne to read report

- In total this year we had 122 members. 30 Youth, 29 Honourary. For the 2017 memberships there has been a link posted on the website as well as the CRC Facebook page. This will ensure no mistakes on name spellings and email addresses.

f) Social- Kristen Moffitt

g) Trail Rides- Corinne Kriegl

- Our adoption of the Browne Creek Wetlands trail this year has been a big plus for us as equestrians as we have a say in what is happening on the trails. It also brings awareness to other trailer users that we are active on the trail. We have had three clean ups to date and have one more obligatory one this year. But so far it seems most trail users are keeping an eye on things. With the bulk of the garbage in the parking lot. I am hoping we will have some designated parking areas in the near future for equestrians and we are working with the city in that direction. Due to Corinne working all summer she did not get to host any rides and for that she is sorry. Maybe we can make up for it next year and plan rides more often. Remember to respect the trails and remove your manure off the trail surface and to share the trails. Be good ambassadors for shared trail use. See you on the trail!

h) Inventory- Corinne Kriegl and Penny Boldt

- Our inventory is kept in a metal container, located in the north east corner of the Heritage Park property. There is a list of all inventory in the container, list was updated October 2016. There is a sign out sheet in the container. Any items taken need to be signed out and signed back in. Purchases this year were, a new to us computer, ribbons, and drill team flags.

i) Goodwill- Bernice Whiting

- 2 condolence cards, Sharon Peel and John Gardiner
- 3 thank you cards; judge Ann Turner, assistance with jumping show Janice Spent, 1 200\$ donation to Ken Wood for Drill team,
- 1 Birth Congratulations to Riesa Kyne,
- 5 get well cards; Helen Francis, Sharon Peel, Goldie Street, can't remember other ones.

j) Archives- Corinne Kriegl

- Some updates to photo albums has been done and a few newspaper clippings of club members and events. The tote that is has been stored in, is no too small. It would be really nice to have somewhere to show off the collection so more members could have access to it. It might be a good idea to digitalize the collection to save it for future generations.

Old business- None

New Business

- a) Directors with one year remaining:** Wolfgang Kriegl, Reisa Kyne, Rupa Bhullar, Tanya Jones, Kaitlin Tottenham, Lindsay Adam and Corinne Kriegl.
